

Hola/Hello! My name is Jennifer Brunty and I am excited to announce a wonderful opportunity coming to Western Boone! On February 10th, I will offer a “Super Spanish Kids Club” for students in grades 1-6! I have been teaching Spanish at Western Boone Jr. Sr. High School for 19 years and I am thrilled to be offering this class to introduce the language and the culture to students at the elementary level.

The Super Spanish Kid’s Club is a 3 hour event and will be held on Saturday, February 10th at Western Boone Jr. Sr. High School. I will offer a class for grades 1-3 and another for grades 4-6. Both classes will be held from 9:00-12:00 and the total cost for the class is \$20/child or \$30/household and that includes all materials, activities and snacks.

I will be teaching the following lessons to grades 1-3

- : Alphabet, Names and How to make introductions***
- : Numbers and Colors***
- : Days of the Week, Months of the Year***
- : Greetings and Expressions of Courtesy***
- : Food and Fiesta!***

Grades 4-6 will have a more in-depth lesson and will be able to...

- : make a full introduction of themselves including where they are from, how old they are, when their birthday is, etc.***
- : talk about the members or their family***
- : share their likes and dislikes about a variety of topics***
- : recognize the 21 Spanish speaking countries***

Each class will include vocabulary lessons, speaking, writing and a hands-on activity. We will end each class with a cooking demonstration and mini-fiesta. The class will be designed to introduce the students to both the language and the culture while getting them excited and curious about learning new languages! Former and current Spanish students will also be helping teach lessons throughout the day!

Please fill out attached enrollment form below and be sure to send it in along with your payment no later than February 7th. Please do not send the enrollment form in to the elementary school teachers. 😊 Muchas gracias and I look forward to a great day!!!
