

Thorntown Elementary School is excited to welcome the next generation of Keewasakees. To protect everyone's health and safety, this spring's Kindergarten and Preschool Round Up sessions will be held virtually. Virtual sessions will introduce students and parents to our school, classrooms, and some of the people they'll meet when they come to school in the fall. Parents will also have a chance to submit questions to be answered by the principals during the session. Important information for parents for completing student registration, required documents, important dates, and deposit payments (preschool only) will also be shared.

Students who turn 4 years old *on or before* August 1, 2021 are eligible to register for our preschool program. Students who turn 5 years old on or before August 1, 2021 will enroll in kindergarten.

Sessions are open to all incoming preschool and kindergarten students. **Two program options will be offered.**

Thursday, March 11th, 7:00-8:00 PM

Tuesday, March 16, 9:00-10:00 AM

Please use the link below to sign up for the virtual Round Up session that works best for you. Prior to the event, a link to join the session will be sent to the email address you provide. The survey will also enable parents to submit questions in advance of the session to be answered by the principal during the hosted Round Up session.

If you have any questions, or do not receive a link to the Round Up presentation at least 48 hours prior to the presentation, please call our school office at 765.485.2447.

We look forward to meeting all of our new Keewasakees.
