

MISSION STATEMENT

We are a partnership of school and community that serves educational needs by providing a learning environment that is innovative, competitive, a builder of self-worth and fun!

FROM THE PRINCIPAL: Welcome back for the second semester!

ARRIVAL PROCEDURES: We have noted an increase in traffic in front of the school during arrival. Please note the following procedures:

- If your child does not eat breakfast, please use the car rider entrance on the east side of the building.
- The buses must be able to enter the drive in front of the school. Please do not unload children or stop your car in that area. Please pull forward before unloading your students.
- Please avoid parking on Mill Street if entering the building. This interferes with the flow of traffic.
- **Students will not be allowed to cross Mill Street at the entrance to the gas station. The buses and cars are not able to see them. All students must cross with the crossing guard.**
- Deputy Conley monitors the flow of traffic on Mill Street. Please watch for his guidance, when needed.

MARTIN LUTHER KING, Jr. DAY-School will not be in session on Jan. 21 in observance of Martin Luther King, Jr. Day.

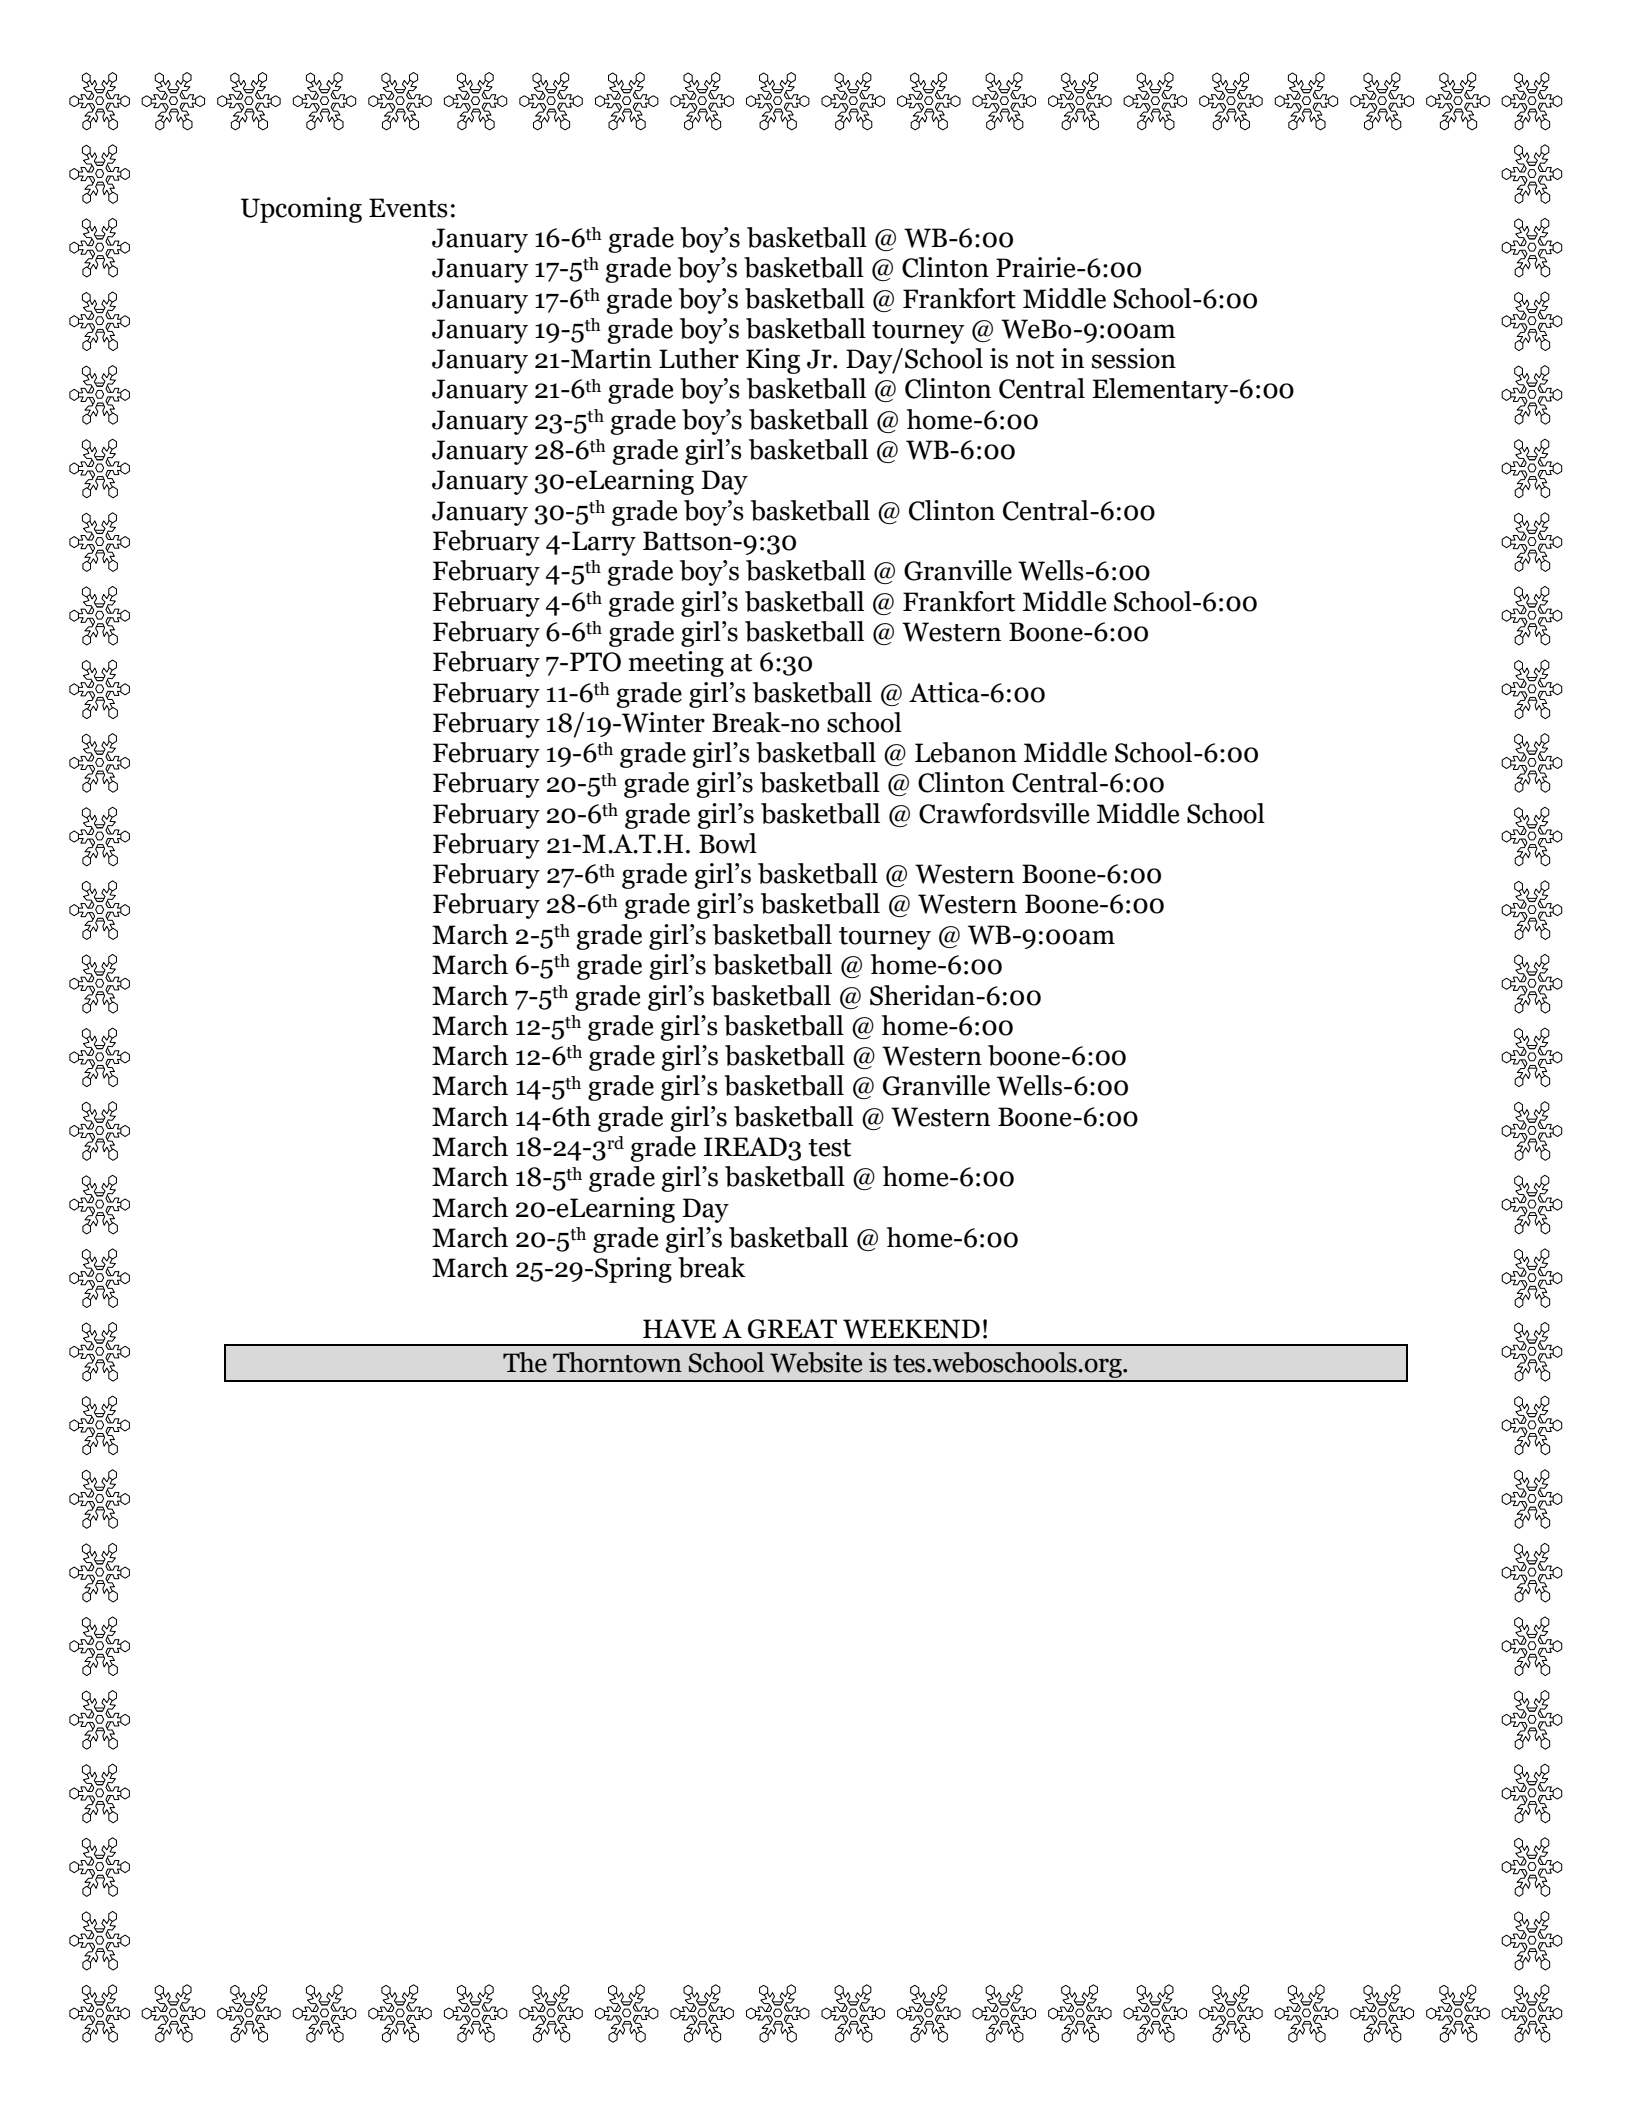

REPORT CARDS-Report cards will be published today. You will receive an email when the cards are available

GYM SHOES-Students should have a pair of gym shoes available at school for indoor recess and PE. Physical education classes resumed in January. We have a few extra pairs of shoes at school if you need assistance providing gym shoes.

BOX TOPS- Mrs. Haney's class won our current Box Tops contest. Thanks for sending in your Box Tops.
